**THE MACHAKOS COUNTY APPROPRIATION BILL NO.2 OF 2018**

**Mr. Chairman:** Order in the House. I believe every Hon. Member who is here, you have with you the Machakos County Appropriation Bill, No.2 of 2018 and with it you will be able to see inside there from clause 2 and then the first schedule it is indicated there, all the adjustments which we are going to be making in this Bill this afternoon.

As you are aware, we did have a Bill which had been prepared and presented to the Government printers for printing and that Bill which was presented was a second version of the original Bill of the original Bill of the original budget which we have been given and therefore because the committee worked on the initial budget which had been provided to the Assembly by the deadline date, we have had to make amendments to the Bill which was published so that it is in the line with what the House Budget Committee and this Hon. House went through and approved.

So, we will be going through that. The Hon. Chair will be able to read for you the first one so that we can be able to understand how it is going to be going but from there we will be talking about adjustments as in the Schedule. So you need to read for yourself because we will not go paragraph by paragraph. We only do the first one from there we will just be saying amendments as per schedule which you have in your hands. Clerk, proceed.
