

REPUBLIC OF KENYA
MACHAKOS COUNTY ASSEMBLY

OFFICIAL REPORT

Tuesday, 3rd September, 2019

The House met at 10.10 a.m.

[The Speaker (Hon. (Mrs.) Mwangangi) in the Chair]

PRAYERS

Hon. Speaker: Good morning, Hon. Members. I am being told that we have the quorum that we need to start off today and much as we are preparing to carry on with our business, I will ask the Clerk at the Table to go through the first Order and when we come to the second Order, I will give the proper guidance. Mr. Clerk.

COMMUNICATIONS FROM THE CHAIR
WELCOME FROM AUGUST 2019 SHORT RECESS

Hon. Speaker: Hon. Members, under this Order, I just want to welcome you back from the one-month recess; I look at every one of you in the faces and you look energized to start because you rested enough. So welcome to the Assembly business that God granted you to serve His people and we look for His grace to continue guiding us like He has done in the past.

ADJOURNMENT TO ATTEND LAUNCH OF BURSARY PROGRAMME

I have a little more communication to do which I plan to do tomorrow because I do notice that the Hon. Minority Leader Kamitu talked to me yesterday and in consultation with the Majority Leader Hon. Mark Muendo, we agreed that through the Speaker's communication this morning, we will adjourn the sitting this morning briefly so that Members can go to Kimutwa; is it Kimutwa?

Muumandu yes where the Governor is launching the bursaries project and Members are going to collect bursaries for the needy in their wards. That is still part of your duty so the sitting will stand adjourned for purposes of Members attending that function.

ADJOURNMENT

Hon. Speaker: The sittings will resume at 2.30 p.m. on the 3rd day of September, 2019. Hon. Members, it is so directed.
