COMMUNICATIONS FROM THE CHAIR BUNGE MASHINANI SITTING AT KIBAUNI WARD

Hon. Speaker: Hon. Members, Ladies and Gentlemen. We appreciate that today is a special sitting in this particular forum and much as we are also having the members of the Public with us, the Speaker notes that they are in the public gallery but there will be a time when the Assembly will address them in a language that we understand. On the communication from the Chair, I welcome you all to this special seating for Bunge Mashinani.

This is a forum Hon. Members that is organized in realization of the National values and principles of Governance outlined in Article 10 of the Constitution and addition to the objects of the Constitution as set out in article 174 of the Constitution. Hon. Members, we also have a requirement under Article 196 that the business of the Assembly must be conducted in open and that we should hold our sittings both of the whole House of the committee in public for public participation and so that the also appreciate the involvement of the Assembly in legislative and other business.

On this light, Hon. Members, the Assembly resolved to hold this sitting today and this is in particular in Yatta Sub-County; sorry at Yatta Sub-County we were there on 17th of October and then we also went to Ndithini so this is the third one of us sitting outside of the Assembly.

We convened this sitting Hon. Members through Gazette Notice No. 11339 Volume 121 No. 163 and the date was 29th November, 2019 and the Gazette Notice gave notice to you Members and to the general public that today we are going to be holding our sitting and this forum and we also set out the business Hon. Members that was to be transacted in this seating.

The objectives of this sitting Hon. Members is so that the Assembly is reaching as many members of the public as possible because we appreciate not all can move to Machakos to come and listen to our business and so we come to the people when they cannot reach where we are.

The forum is also to give you an opportunity to interact with the Members on one-on-one members of the public so that then you can be able to answer their questions and so through this forum Hon., Members, it is believed that we are going to make some change in one way in the lives of the members of the public in this particular area.

MEMBERSHIP IN THE COUNTY ASSEMBLY SERVICE BOARD

Hon. Members, I have a second communication which is on membership in the County Assembly Service Board. Hon. Members, I am referring you to Section 12(1) of the County Governments Act which provides for the County Assembly Service Board and then Hon. Members, I also refer you to the composition of that Board as provided for in Section 12(3) of that Act as amended as Section 47(a) of the County Assembly Services Act 2017 and the composition includes the Speaker who is the Chair, the Vice Chair who is to be elected by the Board Members and two Members of the County Assembly; one nominated by the parties the Majority Party and then the other one by the Minority party and then we are also required to have one man and one and one woman to represent members of the public.

Hon. Members, pursuant to this provisions, the office of the Speaker received a communication from the Majority Party Whip Hon. Tariq Mulatya, MCA Masinga Central Ward which is dated 20th November, 2019 and he nominated Hon. Peter Mutiso to sit in the CASB. That is the communication noting that it was pursuant to a resolution of the Members of the NASA Coalition who had elected Hon. Grace Mutwiwa to sit earlier on in the CASB to represent

them and I am informed that 29 Members in that coalition appended their signatures on a list of documents which is attached to the communication that I got from the Whip

So, Hon. Members, I do congratulate Hon. Peter Joseph Mutiso as now the representative of the Majority Party in the House in the County Assembly Service Board. I wish him well. I also take this opportunity to thank Hon. Grace Mutwiwa in the time she has been serving in that board and she gave all her time and energy in the service to the Assembly and we thank her for that.

DISCUSSIONS BETWEEN CAF AND KRA ON TAXATION OF ALLOWANCES

I have another communication and this is on some discussions that have been going on between the County Assemblies Forum (CAF) and Kenya Revenue Authority (KRA) on taxation matters affecting Members of County Assemblies and the County Assemblies themselves.

Hon. Members, you appreciate that the national government is in need of money and every coin that can be raised is necessary because that is what keeps us going as a nation. So, Hon. Members, KRA has expressed desire to implement the law that is providing for taxation for per diem in particular.

It has also raised issues with CAF on withholding tax on ward offices rent; it is also raising issue on top-up on your loan and mortgage provisions. The details of those have been set out in some memoranda that we came up with when we met as CAF and the discussions are not final because we are still trying to engage KRA, SRC, CRA, CoB and other offices so that we can address the issue of taxation so that it doesn't go to make Members unable to effectively serve the public that they represent much as we also appreciate that taxation needs to be effected so that the nation has money in its accounts.

So, Hon. Members, we will continue informing you because there is another meeting that is set between CAF Executive Committee and KRA on those issues. Hon. Members, that is all about the Communication that I have for the time being and I call upon the Clerk to proceed on the Order of business.

PETITIONS

CHALLENGE ON GAZETTEMET OF MEMBERS OF MAVOKO MUNICIPAL BOARD

Hon. Speaker: Hon. Members, under this Order, we have three petitions remember that the members of the public have a right under the Constitution to petition the Assembly on any matter that is affecting them and in exercise of that right Hon. Members, the Assembly received three petitions the first one is by Mr. Albanus Mativa and this is against the Gazette Notice No. 3633 dated 10th April, 2019 by the Governor Dr. Alfred N. Mutua, Governor Machakos County on the Kenya Gazette Notice Kenya dated 18th April, 2019 on the appointed of members of Mavoko Municipal Board.

Members, you remember that we passed a Charter that established municipalities in Machakos County and Mavoko is one of the Municipalities and the Municipalities are supposed to be administered by a board. A member of public has raised an issue on the gazettelement of members of that board. That petition is committed to Committee of Justice and Legal affairs so that it can prosecute it and bring a report to the Assembly as soon as possible.

CHALLENGE ON THE NOMINATION, APPROVAL AND APPOINTMENT OF ANTHONY K. NGUNGA AS A BOARD MEMBER OF MAVOKO MUNICIPALITY BOARD

Hon. Members, we have a second petition by the same member of public Mr. Albanus Mativa and he is challenging the nomination, approval and appointment of one Mr. Anton K Ngunga as a board member of Mavoko Municipality Board; it is still about the board for Mavoko Municipality and in the same light, the petition is committed to the committee on Justice and Legal Affairs to prosecute it and present a report to the House within the stipulated time noting that it should not be more than 60 days from the date of committing the petition.

BANKING UNION STAFF OF MACHAKOS DISTRICT COOPERATIVE UNION

The final petition is by former Banking Union staff of the Machakos District Cooperative Union. These are number of members belonged to that the union of the staff of the Machakos District Cooperative Union. Hon. Members, that again is a matter of employment and the public has right to come and seek your assistance where they feel you can assist.

So, again we are committing that petition to the same Committee on Justice and Legal Affairs to interrogate it and to present a report before the House within the time stipulated; 60 days from today. Mr. Clerk, proceed.

Hon. Speaker: Thank you. Hon. Members, allow me to commit the Statement to the committee on Health and Emergency Services; Hon. Masesi, you see the need to expedite this consideration of the matter in the Statement; you see the need to engage the executive immediately and you see the need to bring a report to this House and more so, the need to follow up on implementation of the resolution. Thank you, Hon...Sorry Mr. Clerk please, proceed.

I just want to correct Hon. Members under Statements which is Order No. 7, I indicated that there were two Statements. I have just noted that the second one is not a Statement but a procedural motion by the Hon. Majority Leader through the Hon. Ndambuki so we are not yet there. I have not yet pointed you to wake up so Bw. Clerk called Order No. 8 on Procedural Motion and as I have indicated, it is supposed to be prosecuted by the Hon. Majority Leader who is not here but he has an able representative in the name of Hon. Margaret.

PROCEDURAL MOTION

SHORTENING OF TIME FOR INTRODUCTION OF THE MACHAKOS COUNTY FINANCE BILL NO. 7 OF 2019 FROM SEVEN DAYS AS STATED IN STANDING ORDER 116 TO THREE DAYS

Hon. (Ms.) Mwikali: Thank you, Hon. Speaker.

Hon. Speaker, aware that the Article 185(1) of the Constitution of Kenya 2010 provides that the legislative authority of a County is vested in and exercised by its County Assembly;

Noting that the County Finance Bill No. 7 of 2019 was published on 2nd December, 2019;

Aware that the Standing Order 116 requires that a revenue Bill on Publication should be allowed in the House after seven days aware that seven days will lapse on 9th December, 2019;

Aware that the House will take long recess of the December holiday on 4th December 2019 aware that the deal can be considered for public participation over the recess and enacted at the earliest time possible as the bill is late for approval;

Hon. Speaker, I wish to move the motion that this House shortens the time for the introduction of Machakos County Finance Bill No. 7 of 2019 from seven days as stated in the Standing Order 116 to three days to ensure the Bill is approved in time.

Thank you Hon. Speaker.

Hon. Speaker: Thank you, Hon. Margaret do you have a Member to second your motion?

Hon. (Ms.) Mwikali: Thank you, Hon. Speaker. I call upon Hon. Dominic to second my motion.

Hon. Speaker: Thank you. Hon. Dominic Ndambuki.

Hon. Ndambuki: Thank you, Hon. Speaker. I second.

Hon. Speaker: Thank you very much. Hon. Members you have been referred to provisions of Standing Order 116 on publication of a Bill and you notice that this motion is seeking that you shorten the period from the time provided of seven days because you remember we received the Bill late and so the processing of it is urgent because it is the one that is going to guide local revenue in the County. Hon. Members, do we have any Member who wishes to comment on this the motion; any Member who wishes to comment on this motion? Hon. Cosmus Masesi.

Hon. Speaker: Hon. Members, procedurally let me just let me propose the question that this House shortens the time for introduction of the Machakos County finance Bill number 7 of 2019 from 7 days as stated in Standing Order 116 to three days to ensure that the Bill is approved within time. So, Hon. Members we can continue having your comments on the matter. Hon. Kalumu.

Hon. Kalumu: Thank you, Madam Speaker. I think nikona shida sana ya Kiswahili na Kikamba lakini nitajaribu sababu tumekuja kwa wananchi. Hii sheria ambayo inaitwa Finance Bill ni sheria ambayo inaruhusu serikali ya Machakos iweze kukusanya ushuru kutoka kwa wananchi na hakuna pesa yoyote inayoruhusiwa mwananchi kilipa bila hiyo sheria kwa hivo kila mwaka ni lazima kukue na sheria kama hiyo ndio serikali iwe na nguvu ya kuchukua pesa kutoka kwa Mwananchi.

Alipie yale mambo yanawezekana kufanywa na serekali kwa hivo tunauliza kama tunaweza *shorten* ama *kukuvivya ivinda yiu yauvitukithya umwiao nikenda yume matuku muonza yuke matuku atatu nikenda tuitwika kana nitwathi recess wise kwithia nitwavitukithya nikenda mbesa ilasikwosanwa kuma kula kwi mwananthe syithe syi kati ka sheria nuseo*, Madam Speaker.

Hon. (Ms.) Mutuku: Thank you, Hon. Speaker.

Hon. Hon. (Ms.) P. Koki: Thank you, Madam Speaker. Officially, I am Phoebe Koki a special elect member by the Government Party Maendeleo Chap Chap. I second the motion.

Hon. Speaker: Thank you, Hon. Phoebe Koki.

(Question proposed)

Hon. Members, I invite you to debate the motion. Hon. Kituku.

Hon. Kituku: Thank you, Madam Speaker. Naunga mkono mjadala ambao umeletwa mbele na Mheshimiwa Annastacia sababu mabwawa yetu mengi hayajaweza kuwekwa *fence* na unapata kama si wanyama, binadamu wanachota maji moja kwa moja ama *direct* kwa hizi *dams* na imechangia sana katika kachafua maji. Unapata maji sio safi kwasababu hakujawekwa ua ama *fence*. Kwa hivo ninaomba serikali yetu ya County iweze kuzingatia kueba *fence* katika hizo *dams* zetu zote na pia kuna hizi *dams* ambazo ni kubwa ambazo maji yanaweza vurutwa zipeleke

maji sehemu mbalimbali ndiposa wananchi waweze kupata maji mahali ambapo ni karibu sana kwao.

Ama tuseme *water point* badala ya wanyama ama binadamu kuchota maji *direct* kwa hizo *dams* kuwe na mahali ambapo binadamu wanaweza ama wanyama wanaweza kunywa maji badala ya kuingia ndani. Pia miti ikipandwa huko kwa sehemu hizo ambazo tunazitaja ni kwamba miti itaweza kuzuia *evaporation*. Maji haitaweza kwenda kwa urahisi na pia mchanga utaweza kushikwa na ukuta wa *dam* hautaweza hata kuboka kwa urahisi. Kwa hivo naunga mkono mjadala ambao umeletwa na Mheshimiwa wa hapa Kibauni. Asanti Mheshimiwa.

Hon. Speaker: Thank you, Hon. Mutinda. Hon. Cosmos Kieti; we are coming down the line as it were.

Hon. Kieti: Thank you, Hon. Speaker. Madam Speaker, nataka kusema ya kwamba mwaka jana nilileta mswada kama huu katika mbunge nikiomba county yetu ya Machakos tuweze kutengenezewa mabwawa ya maji na vidimbwi na pia nilikua nimeomba maji yaweze kusambazwa karibu na vile vile nilikua nimeomba miti iweze kupandwa karibu na dams zile ambazo tukonazo na natakakupongeza mwenzangu mheshimiwa Annastacia kwa kuleta huu mswada leo ndio tuweze kuchangia.

Madam Speaker, tunapo ongea kuhusu huu mswada nataka kusema ya kwamba ni mzuri sana wakati kama huu tumepoteza mama upande wa Kalama ambao pia iko katika County yetu ya Machakos ambaye alikua anapitia karibu na dam kumbe kwa hiyo dam ukuta ulikua umeanza kubomoka mama akaenda chini na maji na akafa bado funeral.

Haijafanywa ni wiki hii tu ndio haya yamefanyika tukona visa vingi ama..kama vile mheshimiwa Mutinda amesema ng'ombe ambao wanaenda kuchota maji wameweza kuingia tena ndani ya vidimbwi vya maji napia wakafa kwa hivyo wakati tunasema tunaomba County

yetu iweze kueka fence mahali kuna dams tunasema kwa vile ni maafa kwa watu wetu na kwa wanyama wetu ambao wanaeenda kunywa maji katika hizo dams.

Hon. Speaker: Thank you, Hon. Kisini. Hon. Kalumu Francis.

Hon. Kalumu: Thank you, Madam Speaker. Again jina langu ni Francis Kioko Kalumu *nawakilisha watu wa Kithimani katika mbunge la Machakos County. Nataka niseme kwamba maji ni uhai water is life and the only thing Madam Speaker, unaeza patia watu wa ukambani kama serikali ya Machakos County inaweza patia watu wa ukambani ni maji kwa sababu saa ile watu wamepewa maji kwanza.*

Research inasema kwamba mtu anaweza kaa siku kutoka nne hadi saba akiwa hana chakula bila maji lakini akipewa maji anaweza ishi hadi siku kumi na moja; kwa hivo hiyo nikunyeshwa water ni...water is life. Again maji inaeza tumika kuinua economic status of the people of Kibauni sababu saa ile kama ile dam ya Mumbuni ikichimbwa ikue na maji watu wanaweza lima kidogokidogo wauze sukuma wiki, wafanye biashara ya kuuza matunda kidogo lakini hilo haliwezi kufanyika bila maji.

Tofauti ya sisi Ukambani na watu wa kule Kikuyuland ni maji. Kwa hivo yunaomba serikali ya Machakos kupitia Gavana wetu Dr. Alfred Mutua awezeshe apatie mwamanchi nguvu ili aongezee employment. Maji inaweza create employment in Ukambani sababu area ya mchanga yetu na mashamba yetu ni makubwa na yanaeza nyunyuziwa maji yanaeza wekwa maji na watu wapate fedha mingi sana.

Lingine ni kusema upandaji wa miti around the dams can help so much sababu inaeza shika ile mchanga isitiririke ama kwenda kuziba ile dam na hiyo inaweza zuia maji ambayo purpose ya kuchimba ile dam ilikua ni kupata maji ili dam isizibwe na watu waendeleo kupata maji kwa kiwango cha siku mingi sana.

Kwa hivyo tunauliza na tunaunga mkono mswada wa Hon. Annastaciah ambaye ameona ni vyema watu wao waweze kupata wake watu wake waweze kupata maji kutoka siku ya leo tutakua tumepitisha na sio wodi ya Kibauni peke yake. Kwetu mahali nimetoka dam nyingi ama vidimbwi mingi za maji zimekua hazipo sababu mchanga imeingia na tunaomba serikali ya Machakos kupitia Wizara ya maji iweze kua na mpango kabambe; fedha fulani zipangwe ziitengwe kidogo ili iweze ku de-silt ama iweze kutoa ile mchanga kutoka kwa zile vidimbwi ndio wananchi waendeleo nakupata maji.

Tunauliza pia kwa zile wodi zingine hazina dam kubwa kubwa kama hii inachimbwa huku kwa Mheshimiwa Annastaciah, kama kwangu hakuna dam kama hiyo tunauliza kila wodi

uweze kufaidika na dam moja at least ndio kila Ward waweze kupata wainuke kifedha wainuke kwa sababu maji in prolong life. Where you treat water well, it prolongs life because treated water is better than untreated water.

So tunauliza pia wakati ule dam zimechimbwa ziweze kua na treatment works ndio maji yawe masafi watu ikue free of diseases. Ikiwa free of diseases watu wetu, hata fedha zetu ambazo tunatenga kule Machakos za madawa yatakua machache. Hiyo ndio maombi yangu nana support kwamba vidimbwi viweze kuchumbwa kila Ward. Shukrani.

Hon. Speaker: Thank you, Hon. Kalumu. Hon. Members, I call upon the mover of the motion Hon. Annastaciah to reply.

Hon. (Ms.) Mutuku: Thank you, Hon. Speaker. *Mbee eka nitunge muvea kwa Hon. Members ala machangia motion isu yina vaita munene kwa andu ma Machakos County ona ti kwa andu ma Kibauni kyoka....*

Hon. Members, you have passed a resolution on this very important motion because we all say water is life and the Constitution of Kenya appreciates that fact and gives the citizens of Kenya, each one of them, the right to clean water in sufficient amounts. So by passing this resolution, you are, as a matter of fact, making sure that the constitution on the right of the citizens to clean and sufficient water is implemented and for purposes of implementation of the motion you have just passed, the resolution is committed to the committee on environment.

Hon. Kisini you are here; the committee on Environment, Energy, Lands and Natural Resources and you have already done quite a bit particularly for the people of Kibauni coming here and seeing as it is on the ground. So, it is in that same breath that we are committing this matter to your committee so that you can take it and make sure that implementation.....sing and dream about implementation of the motion that has just been passed. Thank you. Hon. Members, we go to the next order, Mr. Clerk.

Hon. Speaker: Hon. Mwikali, everything has been said; I can almost read your mind especially now you are seated next to Hon. Kituku.

(Laughter)

Hon. Members I think you appreciate that no vote is to be taken on this motion because the decision is the Speaker's and the decision of the Speaker is communicated as follows;

That the Assembly sittings are going to be adjourned to reopen on the 11th February, 2020 at 2.30 p.m. after the 10.00 a.m. Assembly Annual prayers. Hon. Members, I will call for special sittings because I appreciate that there are businesses that must be transacted even as you are on that long holiday, you will need to address the Finance Bill and we also need to receive and decide on the report of the Appointments Committee on the approval hearings of the nominees for the County Public Service Board. Remember you have been without the County Public Service Board after the term of the Board that was there expired and you must have a board in office and then you may also have any other suitable business to transact.

Secondly, Hon. Members after we adjourn this sitting to the time I have indicated, we will have a committee of the Whole; just here for purposes of interacting with the members of the public because that is the only way you are able now to talk with them on one on one and so once we leave this venue, the Speaker will take about minutes to go and change into a proper public attire so that we can have a chat with members of the public.

So, Members let me take this opportunity to thank you really very much because we have come a long way. We transacted a lot of business in the session that has just ended and then we thank God also because it is Him who gave us the ability and the energy and the sound minds to transact that business and then I want to thank the members of the public who are in the gallery. We have a very big gallery today and the visitors that I acknowledged in the beginning because they have kept us in this forum going and they have participated although been in the gallery in the proceedings of the Assembly as it is required under Article 196 of the Constitution.

Hon. Members, I also thank God really that today we had a very good weather; it is better to sweat like I am doing now than to be rained on when we are doing this business. So, God has been kind to us during the day; the rains can come later in the night because we still need them its only that we need to take care of ourselves on the excess waters and floods that are coming with the rains. Let us not blame the rains; let us us check on our conduct as human beings because we need the rains that is why we have all this green and I looked as I was coming here as Hon. Annastaciah, yes we have food in the farms and that is the hope that we have.

What we can do now is little; the food that we are getting now is just to keep us waiting for the maize and for the beans to ripen and we have hope because our farms are green and we thank God for that.

Hon. Members, I wish you a merry Christmas and a happy 2020 but because we have members of the public in the public gallery and our visitors, we should remember we also have 12th day of December this year and that is a national event when we celebrate our Jamhuri Day.

We need to take part and participate in national events because if you don't appreciate your nation, if you don't practice patriotism, then you are lost. So, when we have days like Jamhuri day, I am urging all of you present here at least to go there and appreciate why it is that you are celebrating Jamhuri day. We need to carry on these traditions like many of the nations in the world do because if you don't have a nation that you can call *mama na baba*, then where would you go?

You see the many people host as refugees in Kenya because they didn't give much thought about their nation *na nyumbani ninyubani lazima tutunze Kenya ambayo ni nchi yetu na ikiwa ni siku ambazo ni za Jamhuri day, siku zingine ama National event tuko nazo tujitokeze kwa wingi tusikilize vile viongozi wetu wanatuambia na tuendeleo kuilinda na kuijenga nchi yetu*

ya Kenya. Hon. Members, at this point I am going to take off but before I do that we were coming here to teach the members of the public about the business of the Assembly.

The members of the public who are in the gallery, you notice that there is a gold gold; what do you call this no not a mace to them its not a mace what is this? *Kijiti kuna kijiti kijiti ya dhahabu inaitwa mace kwa language ama kwa lugha ya Assembly na ndio ata juu yake ikona national emblem ambayo ni ile ya serikali ya Kenya na pia ikona emblem ya County Assembly ya Machakos.*

Hiki kijiti kina maana kubwa sana katika bunge; bbunge hili na katika bunge zingine zote ata zile National Assembly. Hiki kijiti kikiwa hakuna, hakuna bunge kazi inaeza endelea; mnaelewa hivyo? Kwa sababu ndicho kinaonyesha authority ya bunge ambao mbunge imepewa na katiba ya kutengeneza sheria nakuwakilisha wananchi na ya kuangalia Executive ifanye kazi vizuri. Wakati waheshimwa wanazozana, wale wakona nguvu wanakimbilia hii, wanaiondoa na wanaficha. Wakificha hiyo, sasa bunge kazi imeisha inasimama hapo.

Kwa hivo wakati mnaona atumeiweka hapo mbele, ni kitu ambacho tunakipatia heshima kubwa ni kitu kama hii kama emblem ambayo viongozi wa national government wanavaa kwa kofia unaona; ukiona hiyo ndio unaona ata wanapeana heshima waheshimiwa wakipita mbele yake kwa sababu unapatia heshima Assembly yako na heshima nchi yako ya Kenya.

Kitu cha pili ningetaka kuelezea katika bunge kuko na pande mbili ambazo waheshimiwa wanakaa. Upande upande wa kulia kwa mkono wa Spika, unakua ni upande wa walio wengi kwa bunge ama Majority Party ambao wanakaa hapo. Upande wa kushoto ni wale walio wachache lakini ata ukiangalia ni kama inaonyesha; sijui saa zingine wanachanganya au wanaingiana lakini kisheria huko kwa bunge na hata hapa, wanafaa kuketi upande wa kulia na upande wa kushoto. Upande wa kulia ambao wanakuanga wengi ni wale ambao wako kwa serikali ama ni wale ambao hawako kwa serikali.

Wakati huu bunge la Machakos, wale walio wengi hawako kwa serikali na ni kumaanisha kwamba serikali ya Govana Mutua ndio ikona wale walio wachache na hiyo nikulingana na vile elections zilifanywa. Kwa hivyo wakati hawa walio wengi wanaketi pandee hiyo kazi yao inafaa nikuangalia hawa sasa walio wachache kwa sababu ata ikiwa wako wachache wako na nguvu kwa sababu ndio wako kwa serikali; tunaalewana? Sasa hiyo ndio muundo wa bunge ya Machakos kwa wakati huu.

Bunge zile zingine kama huko Central unawezakuta hakuna pande mbili kwa sababu walichagua watu wa Jubilee pekee; kwa hivo hakuna opposition na watu wote ni wa party moja. Sasa hapo shida ile inaingia ni kwamba nani ataangalia serikali ifanye kazi kwa sababu serikali lazima inaangaliwa kila wakati inaiywa oversight ndio ifanye kazi.

Sasa hapa nao mbele yangu mmeona watu watatu wamevaa nguo kama mimi; hao wanaitwa Clerks lakini kuko na yule main Clerk ambaye ni wa bunge anaitwa Bw. Mbiuki ndiye anakaa hapo na hao wawili ni Clerk Assistants yaani wakumsaidia kwa sababu bunge ikiendelea hivi kila wakati imekua nikujandiliana nao procedure za bunge hawa ndio wamezisomea miaka mingi wanafaa kuongoza. Kwa hivo wanasaidia Spika kuendesha bunge.

Na hapa unaona pako na wawili wamesimama; hawa wanaitwa Serjeants at Arms. Serjeant at Arms ni wale wanalinda usalama kwa bunge; sasa ikiwa kuna Mheshimiwa ambaye ana-misbehave yaani ambaye amekosa tabia kwa hivyo Spika akisema Serjeant at Arms, huyo mheshimiwa anatolewa nje ikiwa miguu hakanyagi vizuri vile askari wanashika mtu mshipi hapa alafu baadaye Spika anafanya kumuadhibu.

Kwa hivo kile nawaambia ni kwamba kwa bunge kuko na tabia, kukona discipline na hiyo inakua muhimu ndio bunge iweze kufanya kazi yake kwasababu ikiwa

hakuna discipline, nao hawawezi kuwakilisha wananchi kwa njia ile inafaa. Sasa nafikiri nimeshawaelezea hizi nguo mnaona ninavaa ndio zinaita official ya kuja Spika kuongoza bunge na bunge vile inaendeshwa iko karibu sana na korti na nyinyi mmeenda kortini na mmeona saa ingine ata mawakili wakivaa hizi; mimi pia ni wakili lakini hii navaa sai sio kwa sababu wakili lakini ni sababu ni Spika wa bunge ya Machakos.

Nafikiri sasa tumeelewana na tukona wengine staff wa bunge ambao hii kitu mnaona hapa hii camera wakati huu tunaendelea kuongea mko live hata Kenya yote na dunia mzima. Mtaonyweshwa yule anataka vile mnaeza kuenda kwa simu yako sasa hivi ukiwa na simu smart phone kuko na ile page tuko kwa YouTube unaeza ku punch ama kudunda herufi fulani na uone kile kinaendelea saa hii lakini hata baadaye unaeza kwenda kuangalia. Naye yule anaendesha hicho kitu pia wanaitwa communications officer na ako na wengine wa kusaidia hapa staff wa Assembly wengi.

Kwa hivo assembly yetu ya Machakos imeendelea mpaka kiwango cha kufikia kwamba kile mnaeneshwa hapa saa hii kinaonekana live; ukiwa huko nje na ukiwa hapa ndani na ukiwa out of the country hata ukiwa London, ukiwa America unaeza kujua nini kinaendelea katika bunge la Machakos na hilo tulifanya ndio tuweze kuonyesha wananchi ni kazi gani tunafanya; hakuna kujificha sasa. Kwa hivo tunafaa wakati tunafanya kazi inatulazimu ku-behave ama kuwa na tabia nzuri kwa sababu sasa uki-misbehave si unaonekana huko London? Haya asanteni wananchi.

Nimevunja sheria kwa sababu nilisema nitaweza kuongea na wananchi ambao wako kwa gallery kabla ya tuondoke hapa ndio msibaki mkiuliza na hicho kitu ni nini na wale wanakaa hapo na wale wanasimama na nguo zile wanavaa ni za nini.
