

MACHAKOS COUNTY ASSEMBLY

OFFICIAL REPORT

Wednesday 26th June, 2013

The House met at 2.30 p.m.

[The Speaker (Mr. Mung'ata) in the Chair]

PRAYERS

SUPPLEMENTARY BUDGET 2013

The Speaker: The Chair Budget please.

Hon. Muinde: Mr. Speaker, we expected to table the Supplementary Budget 2013, to the House but I got communication from the office of the Minister of Finance that they had not been ready with the paper work and we were not able to get it in time and I request that we allow the house to sit tomorrow in the morning and I am sure by then, we will be able to table the Supplementary. However, Mr. Speaker, it would be fair for this House that communication from the Executive side be ready in time to avoid situations where members will sit and wait to discuss issues and we get the last minute cancellation from the Executive. Thank you, Mr. Speaker.

The Speaker: Thank you very much Honorable member, anybody who would like to contribute to that motion of adjournment?

Hon. Kathinzi: Thank you Mr. Speaker, we understand that as per what the chairman has just stated and he is saying this with a lot of confidence, that we have nothing much to do when we don't have the exact report. So it is good we adjourn until we get the proper documents for us to proceed with this particular issue. So I propose that we adjourn.

The Speaker: Thank you very much. Any other contribution on the same?

Hon. Kitheka: Thank you Mr. Speaker. I would like to support the adjournment but I would request for good communication through the office for us not to be taken for a ride because we have been here, we were waiting for the documents and people have not communicated. So we request for good communication so that we avoid wasting a lot of time. Thank you.

ADJOURNMENT

The Speaker: Thank you very much honorable members. You realize we cannot do much without the supplementary estimates. The only fair thing is to have the house adjourned until tomorrow in the morning. Thank you very much for your patience.
