The House met at 2:33 pm

*[The Speaker (Mr. Bernard Mung'ata in the Chair)]***PRAYERS****Hon. Speaker:** Good afternoon Hon. Members. Let's proceed.**MOTION****REPORT ON THE STATUS OF PHASE I ROAD PROJECTS****Hon. Speaker:** There is no member of this committee that is producing this report, who can move it? Hon. Dominic you are a member of this committee.**Hon. Dominic Maitha:** Thank you Mr. Speaker, Sir. I would like Mr. Speaker to concur with you but I wish to move directly to what the Majority Leader said last week that some chairs are not serious with their committees. The Hon. Chair came in the morning, he was here, he came late and we had to seek to discuss the motion in the afternoon. Here is the motion and the report, the chair is supposed to have been here to table this report before this House. He has not even taken the initiative to delegate the duties to the Vice Chair who is just behind me, Hon. Penina. I will be usurping the powers of the Hon. vice Chair Mr. Speaker. Thank you.

Sorry Mr. Speaker. You see, the Hon. Vice Chair has also disappeared so Mr. Speaker, I wish to seek for a deferral for this report to be discussed tomorrow in the afternoon. Thank you Mr. Speaker, Sir.

Hon. Speaker: Hon. Members, we don't have a choice but to have the report deferred, but to next week. We shall have it debated on Tuesday.**ADJOURNMENT****Hon. Speaker:** In the absence of any other business then the house adjourns. We will not have business tomorrow so I will urge the committees to do their work. I will be retreating for a workshop in Mombasa. Thank you very much and have a good afternoon.
