Third Session  
(438)

**THE COUNTY ASSEMBLY**

**ORDER OF THE DAY**

**WEDNESDAY, 14<sup>TH</sup> FEBRUARY, 2024 AT 10.00 A.M.**

**ORDER OF BUSINESS**

**PRAYERS**

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Papers (As listed in Appendix)
6. Notices of motion
7. Statements(As listed in Appendix)

**8\*\*\*MOTION – APPROVAL OF REPORT ON CONSIDERATION OF THE ANNUAL DEVELOPMENT PLAN FOR THE FINANCIAL YEAR 2024-2025**

*(Hon. Jeremiah Kaloi - Chairperson, Trade, Economic Planning and Industrialization Committee)*

**Hon. Speaker**, that aware that the provisions of Section 104 of the County Governments Act, 2012 provides that planning is a mandatory part of the County budget process thus disallowing any appropriation of public funds outside a planning framework approved by the County Assembly;

Aware that Section 126(1) of the Public Finance Management Act, 2012 provides that each County Government shall prepare a development plan in accordance with Article 220(2) of the Constitution whereas Section 126(3) of the same Act states that the County Executive Committee Member responsible for planning shall submit the development plan to the County Assembly by for approval as well as send a copy to the Commission on Revenue Allocation and the National Treasury;

Cognizant that the Annual Development Plan for the FY 2024-25 was forwarded to the office of the Clerk of the County Assembly on 9<sup>th</sup> September, tabled in this Assembly on 3<sup>rd</sup> October, 2023 and further committed to the Sectoral Committees for review in line with their respective mandates and reporting to the Trade, Economic Planning and Industrialization Committee;

Acknowledging that the Assembly through the Trade, Economic Planning and Industrialization Committee undertook public hearing across the 8 sub Counties between Thursday 9<sup>th</sup> and Friday 10<sup>th</sup> November, 2023 in line with Article 196(1) (b) of the Constitution of Kenya 2010;

Honorable Speaker, I wish to move the motion **THAT**, this House approves the Report of Trade, Economic Planning and Industrialization Committee on consideration of the Annual Development Plan for the Financial Year 2024-2025

*The House adjourns to Wednesday, 14<sup>th</sup> February, 2024 at 2.30 p.m.*

-----  
**\*\*\*Denotes Order of the Day\*\*\***

**APPENDIX (I)**  
**TUESDAY 14<sup>TH</sup> FEBRUARY 2024 AT 10.00 A.M.**

**1. PAPERS**

**(a) Papers laid: Hon. Nicholas Nzioka- MCA, Machakos Central Ward/Leader of Majority**

Honorable Speaker, I wish to lay the following papers on the table of the Assembly today, 14<sup>th</sup> February, 2024;

- (a) Second quarter report and financial statements for the Machakos County Government of Machakos for the FY 2023/2024.
- (b) Second quarter financial statements for the County Receiver of Revenue for the FY 2023/2024.

**2. STATEMENTS**

**a) Response on Statement on Solid Waste Disposal Within the County**

*(Hon. Brian Kisila, Chairperson; Decentralized Units and County Administration Committee)*

Honorable Speaker, on 27<sup>th</sup> September, 2023, a statement was sought in the House by Hon. Joseph Mulinge on what measures the department has taken to ensure proper waste disposal within towns.

The sought statement was consequently conveyed to the Department of Urban Development vide a letter **REF: MKSCA/PCS/CMM/ELENRV/VOL.1/51** and the department responded to the aforementioned statement through a letter dated 24<sup>th</sup> October, 2023 as follows:

The Department is in charge of three municipalities:

- 1) Machakos Municipality
- 2) Mavoko Municipality
- 3) Kangundo/ Tala Municipality

**1) MACHAKOS MUNICIPALITY**

In Machakos municipality, Solid waste collection is done in all Urban and Peri-Urban areas in both Machakos and Kalama Sub-Counties.

For the purposes of efficiency in collection of waste, the department has divided the Municipality into 8 sections (region). Every region is headed by a supervisor (team leader).

The information below shows the name of the region, the areas covered

No	Region / Section	Areas covered
1.	Central Business District (CBD)	From law courts to Co-op to Kitui Road and right side covers upto Shalom Hospital and Hornbill

## Kangundo Central

1.	Kangundo Town	Market
2.	Drainages	Market

## Vehicles

The table below shows the vehicles used for garbage collection in Tala/Kangundo Municipality

S. No.	Particulars	Reg. No.	Location	Status
1)	Back hoe	16CG406A	Tala yard	Operational
2)	TIPPER	KBG 221C	Mavoko	Needs battery
3)	Tipper	16CG402A	Tala yard	Operational
4)	Same Tractor	16CG404A	Tala yard	Operational
5)	Skip Loader	16CG157A	Tala yard	Operational
6)	Compactor	16CG154A	Tala yard	Not in service

## 3. MAVOKO MUNICIPALITY

Mavoko Municipality is sub-divided into four wards,

- Mlolongo/Syokimau ward
- Athi river ward
- Kinanie/ Mathatani ward
- Joska/Muthwani ward

Mavoko municipality is faced with a challenge in solid waste management due to her high population which was 322,499 according to 2019 population census. The said population has led to production of high volumes of solid waste mainly at Athi River and Mlolongo wards.

Mavoko municipality has a total of 59 solid waste employees, deployed as below.

WORK STATION	NO.EMPLOYEES AVAILABLE	DEFICIT	TOTAL REQUIRED
MAVOKO OFFICES	6	2	8
ATHIRIVER WARD	25	53	78

MLOLONGO/SYOKIMAU WARD	12	53	65
KINANIE /MATHATANI WARD	7	30	37
MUTHWANI WARD	4	24	28
DRIVERS	5	2	7
TOTAL	59	164	223

The above Solid waste management staff are engaged on duties within the municipality which includes:

- Sweeping
- Cleaning and unblocking drainages
- slashing and bush clearing
- litter collection
- Maintenance of cleanliness at Mavoko offices

**At Mavoko municipality the department has operational work plan as highlighted below.**

<b>MLOLONGO GARBAGE COLLECTION PLAN</b>			
<b>SECTION</b>	<b>AREA</b>	<b>COLLECTION POINTS</b>	<b>STRATEGY APPLIED</b>
A	Old Mlolongo ( Mombasa Highway via Madharau to old Mombasa road)	* Along Mombasa highway from Kinanie to Mlolongo Bus park  *Madharau street lanes 1,2 and 3  Along old Mombasa road	Managed using the strategy of collecting waste from the source using municipal trucks.
B	NGWATA (Quarry Road - Biashara street to Mlolongo river)	*Quarry road estate  * Police road  *Family bank road  * Biashara street  * Sokoni( upper and lower street)	Managed by involving Machakos Environmental Self Help Group (donkeys and hand-driven carts) which assist in collecting the garbage from residential houses and business premises to the government truck.  Managed by involving Machakos Environmental Self Help Group (donkeys and

		<ul style="list-style-type: none"> <li>* Unaitas road</li> <li>* Impala road</li> <li>* Musau road</li> </ul>	hand-driven carts) which assist in collecting the garbage from residential houses and business premises to government truck.
C	NGWATA (Musau Road - Kasina area to Mlolongo river)	<ul style="list-style-type: none"> <li>* Quick Mart road</li> <li>* Solomon - nzuuni road</li> <li>* Chiefs camp area</li> <li>* Gossip road</li> <li>* Kasina area</li> </ul>	Managed by involving Machakos Environmental Self Help Group (donkeys and hand-driven carts) which assist in collecting the garbage from residential houses and business premises to government truck.
D	KATHANGAITA AREA	<ul style="list-style-type: none"> <li>* Along Milano road</li> <li>* Along church road</li> <li>* Along Kitunduni road</li> </ul>	Managed by involving Machakos Environmental Self Help Group (donkeys and hand-driven carts) which assist in collecting the garbage from residential houses and business premises to government truck.
E	PHASE 3	<p>Somehow sparsely populated</p> <ul style="list-style-type: none"> <li>* Maintain Bins</li> </ul>	We have 12 bins distributed in the area that are emptied once a week.
F	KICHEKO SLUMS (Syokimau area)	<p>Mlika mwizi area</p> <ul style="list-style-type: none"> <li>* Maintain Bins</li> </ul>	We have 2 bins placed in the slums that are emptied once a week
G	SABAKI SLUMS	<ul style="list-style-type: none"> <li>* Maintain Bins</li> </ul>	We have 6 bins distributed in the area that are emptied once a week.

## **ATHI RIVER WARD GARBAGE COLLETION PLAN**

In Athi river ward the department have 116 large waste collection bins which are distributed in the entire ward.

- 8 bins are placed along the main road and are emptied twice a week

- 7 bins are placed at Athi river market and are emptied once or twice per week depending on the waste output.
- The other 101 bins are distributed around the residential areas and business centers, they are emptied once week

### **KINANIE/ MATHATANI WARD GARBAGE COLLECTION PLAN**

At Kyumbi we have 7 employees.

We have placed 9 bins around the residential areas and business centres, they emptied once a week

### **JOSKA /MUTHWANI WARD GARBAGE COLLECTION PLAN**

At Joska/ Muthwani we have 4 employees

We have 5 bins distributed across the ward and are emptied after every two weeks.

### **SWIFT MEASURES ADOPTED ON SHORT TERM CHALLENGES**

1. The Department has consistently supplied fuel to ensure continuous collection and disposal of garbage.
2. The department has repaired the broken vehicles and put in place effective response mechanisms.
3. The department is considering motivation factors for our staff for working weekends and holidays as the job demands.
4. The department ensure consistent replacement of worn out protective gear for our staff especially gloves.
5. The department recently vaccinated our staff.

## AREAS OF WORK IN PROGRESS

- Opening and unblocking of slaughter slums drainage
- Opening and unblocking of EPZ drainage
- Opening and unblocking Gossip- Kasina road drainage town
- Opening and unblocking of Impala drainage , Mlolongo town
- Opening and unblocking of Githuguri/Utawala drainages

Generally Mavoko municipality is currently well attended because all the bins are emptied and maintained daily.

## Vehicles

**The table below shows the vehicles used for garbage collection**

S. No.	Particulars	Newly Acquired Or Inherited From Former Municipality	Reg. No.	Location	Status
1.	Tipper Lorry	Newly acquired	16CG177A	Mavoko	Operational
2.	Tipper Lorry	Newly acquired	16CG401A	Mavoko	Operational
3.	Backhoe	Newly acquired	16CG405A	Mavoko	Operational

4.	Farm Tractor	Newly acquired	16CG403A	Mavoko	In good condition (has pending check unit charges)
5.	Skip Loader	Inherited from former Municipality	16CG152A	Mavoko	The vehicle is grounded due to mechanical problems.
6.	Skip Loader	Inherited from former Municipality	16CG151A	Mavoko	The vehicle is grounded due to mechanical problems.
7.	Skip Loader	Inherited from former Municipality	16CG155A	Mavoko	The vehicle is grounded due to mechanical problems.

### **PROGRAMS IN PLACE IN THE MUNICIPALITIES:**

- a) Youth Cleaning Program: which we intend to engage youth to assist us once per week to clean
- b) Established Partnership with markets and institution to assist in Solid waste collection
- c) Sorting waste at the source: this system of waste management will ensure separation of waste from the household thus less ends up in the landfills and some waste can be recycled.
- d) Fencing of Dumpsite: this will control access thus sorting can be done and some of the recyclable can be resold thus a form of revenue attached
- e) Excavation at the Dumpsite: this will involve removing soil, sludge and debris from a site to make room
- f) Private Waste Management Engagement:
- g) Town Sensitization Programs such as
  - Public Participation on waste management issues and
  - Best waste management practices

### **Achievement**

The Department is in charge of three municipalities which have procured sufficient solid waste vehicles and large skip-bins to assist in collection of solid waste in market and residential areas.

This is the strategy that the County Government is currently using. The Strategy has proved to be successful though it has been faced by serious fuel shortage and lack of vehicle maintenance resulting to uncollected waste in the streets.

The Department has moreover identified solid waste supervisors who are in-charge of ensuring that all the Solid waste bins are emptied and that the solid waste staff report to their working station.

The department has repaired most of its solid waste vehicles which had mechanical issue so to ensure collection is done more frequently and all areas in the three municipalities are collected timely.

The department has also provided immunization to all solid waste staff and provided them with enough safety gears which has motivated the staff towards working more effectively and efficiently.

**NOTICE PAPER**

**Tentative Business for**

**Wednesday 14<sup>th</sup> February, 2024 Afternoon Sitting**

---

*(Published pursuant to Standing Order 35(1))*
